FS1 Autumn 2 Homework Overview

Phyiscal Development

Use playdough to roll, squash, pinch and squeeze. Make winter shapes such as snowballs, stars or snowmen.

Challenge: Make 3 snowballs and count them together.

Literacy

Share a favourite winter or Christmas story with an adult. Talk about the pictures and name your favourite character.

Try saying: "I think..." or "I wonder..."

Maths

Choose some toys or decorations and count them together. Match objects to a number or make groups of 1, 2 or 3.

Challenge: Which group has more? Which has fewer?

Expressive Arts and Design

Make a Christmas picture or decoration using paper, crayons, stickers or recycled materials.

Try: Choosing your own colours, making marks and talking about your creation.

Understanding the world

Collect a few autumn leaves with an adult. Explore how they look, feel and sound. Sort them into big and small piles.

Try saying: crunchy, smooth, soft, rough, bigger and smaller.

Personal, social and emotional

Choose a helpful job at home, such as putting toys away, matching socks or helping set the table.

Try talking about: How did you help? How did it make someone feel?

Parent reminder: Activities should take around 5–10 minutes and focus on having fun together. Children can share their learning with a photograph uploaded to seesaw, drawing or a few words about what they enjoyed.
