

Below are some challenges for you and your child to complete together, you don't have to complete them all! We want you to have fun together, be as creative as you can and let us know how you get on! Some of the challenges are trickier than others, please select the challenges you think are most suitable for your child's abilities Please can all work be sent into school by **the end of half term**; photos can be uploaded to us via the Seesaw app Many thanks! :-)
