

Year 1 Learning Log

I like being a mathematician:

- Find different household items that are whole and part and draw them.
- Order objects at home in different ways for e.g tallest to shortest, longest to shortest.
- Practise writing the numbers 1-20

I like being a reader, a writer and being creative with words:

- Choose an item of your choice and create a fact file, book or poster all about them.
- Create your own 'big dreams' front cover and story.
- Practise your RWI set 2 sounds.

Key Vocabulary:

Learn the meaning of these words:

- History
- Autumn
- Winter
- Summer
- Spring
- Scientist
- Seasonal changes

I like being creative:

- Go on an autumn walk and collect sticks, acorns and pinecones. Can you create an art piece out of them?
- Watch the following video of the story "The Colour Monster":
<https://www.youtube.com/watch?v=aBPFplfLvZ0>
- Draw a monster and colour it in to show how you have felt today.

I like being a scientist and a historian:

- Find out who Anders Celsius is.
- Find out from your family or friends' what school was like when they went to school. What things are the same? What things are different?

I like being an active learner:

- Talk about the people in your family or people who are special friends.
- Follow a recipe and take a picture of your creation.

For your home learning challenge please try to complete at least 1 piece of work from each section.

Your challenges must be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. Please take pride in each piece of work you do and have fun!!
