

Year 1 Learning Log – Summer 1

I like being a mathematician:

- Measure the length or height of small trees or bushes, sticks, twigs and leaves found in your garden, local park or woodland.
- Practise finding 1 more/1 less than using any number up to 100.
- Using numbers to 20, practise doubling them and halving them.

Key Vocabulary:

Learn the meaning of these words:

- Amphibian
- Deciduous
- Evergreen
- Leaf
- Predator
- Prey
- Stem
- Woodland

I like being a reader, a writer and being creative with words:

- Make a mini book or leaflet about your favourite woodland animals using facts.
- Write a 'Who am I?' riddle for family and friends to solve. Write clues about a woodland animal, plant or tree.

I like being creative:

- Make patterns and sculptures using natural materials in your garden. Take photographs of your artwork.
- Paint or draw a picture of your favourite woodland animal.

I like being a scientist:

- Draw a picture of a flower and label the different parts.
- Conduct this experiment:

Put 2 flowers in 2 containers.
Give 1 flower water, give the other flower no water. Show us what happens.

I like being an active learner:

- Plant some daisies, poppies, or other wild flowers. Take photographs or draw pictures to show your flowers as they grow and change.
- Take your family for a woodland walk near your home. Take photographs of interesting flowers or trees to show your friends at school.

For your home learning challenge please complete at least 1 piece of work from each section.

Your challenges must be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. Please take pride in each piece of work you do and have fun!!

To be completed by Friday 16th May
