

Year 1 Learning Log

I like being a mathematician:

- How many different ways can you make 5, 10, 20? You can draw pictures, take photos or write them as sums if you want to. You choose how to show us! Challenge yourself – how many can you do in a minute?
- Practise finding halves and quarters of different amounts.
-
- Take a walk to look for animals. Record the animals that you see, you could record them in a table. Which animal was the most common and least common?

I like being a reader, a writer and being creative with words:

- Write a story about an animal. Remember to include when, who, how and what! Don't forget to include: capital letters, finger spaces and full stops, neat handwriting and check it makes sense!
- Write a list of fruit and vegetables you have at home and describe them.

Key Vocabulary:

Learn the meaning of these words:

- Adaptation
- Amphibian
- Domestic animal
- Habitat
- Mammal
- Predator
- Prey
- Reptile
- Wild animal

I like being creative:

- Sketch a picture of your favourite animal. Include as much detail as you can. Which group does it belong to?
- Make an animal using playdough or clay.

I like being a scientist:

- Find or draw a picture of your favourite animal and label the main parts of its body.
- Can you name the 5 senses?

Draw a picture of yourself and label the 5 body parts that we use for these.

I like being an active learner:

- Where does your favourite animal live, what does it eat? Find out 5 facts and create a poster about it.
- What do you like to play outside? Write down some instructions so we can play the game at school.

For your home learning challenge please complete at least 1 piece of work from each section.

Your challenges must be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. Please take pride in each piece of work you do and have fun!!

To be completed by Friday 10th July
