

Year 1 Learning Log – Spring 1

Key Vocabulary:

Learn the meaning of these words:

- Spring
- Nature
- Blossom
- Equator
- North Pole
- South Pole
-

I like being a mathematician:

- Do you know your 2D and 3D shapes?
- Practise your number bonds to 10. How many can you do in 1 minute?.
- Can you write your numbers correctly?

I like being creative:

- Draw a picture or paint a picture of your favourite season
- Build a UK landmark

I like being a scientist:

Learn about weather patterns.

How many days did it rain?

How many days was it dry?

I like being a reader, a writer and being creative with words:

- Write about what you enjoy most about winter
- Write about a special day that has happened. Practise using your capital letters and full stops.
- Write an acrostic poem about Winter

I like being an active learner:

- Draw a picture of your favourite signs of winter.
- Learn which animals live in the north and south pole
- Take a picture showing how you would dress if you lived near the north pole and how you would dress if you lived near the equator.

For your home learning challenge please complete at least 1 piece of work from each section.

Your challenges must be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. Please take pride in each piece of work you do and have fun!!

To be completed by Friday 6th February
