

Year 2 Learning Log | Spring 1

I like being a mathematician:

- Learn the 2, 5 and 10 times tables.
- Share out food equally with your family and friends and use the divide symbol.
- Use bottles/containers that you find in the house to see which holds the most/least amount of liquid.

I like being a reader, a writer and being creative with words:

- Research about a famous explorer and write some facts.
- Visit a library or book shop to find books about pirates.
- Create a fictional story about pirates.

I like being creative:

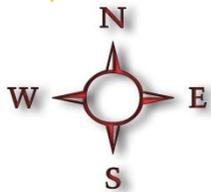

- Create a map with an X marks the spot for the buried treasure.
- Make a pirate/explorer ship using recycled materials.

I like being a geographer:

- Use a map or atlas to track the journey of an explorer.
- Research the oceans and continents an explorer visited.

I like being an active learner:

- Go on a Pirate Adventure. You could: design and follow a map; complete a secret mission; fend off your enemies,; evade capture or hunt for treasure.
- Follow a map to find the gold or a new place to explore.

Spellings to learn:

cargo	coast	explorer
lifeboat	lifeguard	lighthouse
navigator	ocean	pirate

For your home learning challenge please try to complete at least 2 activities.

Your challenge should be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. The challenges can be brought into school or shared on Seesaw.

To be completed and shared with the class before Friday 13th February.
