

# Year 3 Homework Grid

## Autumn 1

### I like being a mathematician:

- Think about how long ago the Stone Age was, create a timeline of humans on Earth.
- Continue to practise the 2, 5 and 10 times tables.
- Research the height of Stone Age monuments. you could look at Stonehenge.

### Key Vocabulary:

Learn the meaning and spellings of these words:

- Cave painting
- Mammoth
- Spear
- Jewellery
- Hammerstone
- Neolithic
- Weapon

### I like being a reader, a writer and being creative with words:

- Read a story from the library about the Stone Age.
- Write a review about a film or book that is set in the Stone Age. (The Croods, Early Man, Horrible Histories).
- Write a diary for a day in the life of a person living in the Stone Age.

### I like being creative:

- Create a Stone Age wall painting. It must tell the story of your tribe (handprints, paw prints, food you eat etc.)
- Create or design a Stone Age tool that might have been useful to an early man.
- Create a menu fit for an early human. Think about what they might have hunted or foraged.

### I like being an active learner:

- Go on a Stone Age walk! Imagine you are living in the Stone Age and see what you can find, are there any berries you can forage? (Ask a grown up before you eat anything you find).

Continue to complete your weekly reading, spellings and times tables practise. For your home learning challenge please try to complete at least 2 of these activities.

Your challenge must be creative, informative and in your own words. We look forward to seeing how imaginative your challenges will be. Please take pride in each piece of work you do and have fun!! Share your activities on Seesaw and we can share them as a class.

To be completed and shared with the class w/c Monday 20<sup>th</sup> October 2025
