

Year 4 Summer 2 Homework – Traders & Raiders

Half term homework:

Enjoy completing at least two of the activities from the selection below. Bring in any work that you complete so we can add it to our topic display. Have lots of fun learning more about the Vicious Vikings – we can't wait to see the work that you produce!

Weekly homework:

- Weekly spellings will be sent home.
- Read your reading book and log your activity on BoomRead.

I like being creative:

Make a model of a Viking home using junk materials such as cereal boxes, coloured paper, tin foil and cardboard tubes. Use online images and pictures in non-fiction books to inspire the layout of your home.

Draw a picture of a Viking/Norse God. Colour in your picture and write a few sentences about them.

Create a word search or crossword puzzle containing some of the key Viking vocabulary you have learnt.

I like being a mathematician:

Research what the Vikings used as numbers and do some simple calculations with them.

Research and search for pictures of Viking coins/money. Describe what they look like and compare them to the money we use today.

I like learning outside:

Find out if there are any Viking strongholds or settlements near where you live. Try to visit one with your family. Take lots of photographs of what you see.

Make your own Viking jewellery with using natural materials that you find outside. Take a photo of your jewellery.

Go on a walk in your local area. Can you see any examples of Viking influences?

I like reading and writing

Look at holiday brochures and online information to find out about Scandinavia as a tourist destination. Which tourist attractions would you like to visit? What is the weather like? Where else would you like to go?

Read a book or watch a film on a Viking theme. Write a review to let your classmates know what you thought about it.

Use lots of Viking language to write well-known phrases in Old Norse, the language of the Vikings.
