

Our Inclusion Offer

We are committed to creating an inclusive environment where every child feels safe, supported and able to thrive.

Our range of inclusion strategies helps to support children's wellbeing, learning and development in a way that meets their individual needs.

St Joseph's...
a school built on
Love, Faith and Hope

We work closely with children, families and staff to provide the right support, at the right time.

We believe that inclusion is everyone's responsibility.

We celebrate difference and encourage everyone to belong.

Love, Faith, Hope.

1

Visual Timetables

Visual timetables support children to understand their day, know what to expect and feel more in control.

9:00	9:15	10:15	10:30	11:30
Registration	English	Break	Maths	Home Time

Time To Talk

Time To Talk gives children the opportunity to talk about how they feel and receive emotional support when they need it.

Here for every child, every step of the way.

These strategies are part of our commitment to inclusion and wellbeing. If you would like to know more about how we support your child, please speak to your child's class teacher.

Love, Faith, Hope.

4

Our Inclusion Strategies

Lego Therapy

Lego Therapy supports communication, social skills and confidence through structured play and collaborative building.

Sensory Circuits

Sensory circuits use physical activities and equipment to support regulation, focus and body awareness.

Movement Breaks

Movement breaks are short bursts of activity that help children to reset, refocus and be ready to learn.

2

Alternative Methods of Recording

Children can record their learning in different ways such as typing, voice recording, scribing, drawing or using technology.

Adaptive Teaching Strategies

Teaching is carefully adapted so every child can access learning through scaffolding, visual supports, modelling and flexible approaches.

Motor Skill Interventions

Targeted programmes to develop fine and gross motor skills, coordination, strength and handwriting readiness.

Jump Ahead

Physical fun to improve movement skills and coordination.

Jump Ahead!

Motor Skills United

Activities that help build fundamental movement skills for everyday life and learning.

MS United

Dough Disco

Fun, multisensory activities to strengthen hands and fingers while learning through play.

Dough Disco

Barrington Stoke Reading Scheme

Dyslexia-friendly, age-appropriate books that build confidence and foster a love of reading.

5

Sensory Breaks in the Sensory Room

Our sensory room provides a calm, safe space where children can take sensory breaks and regulate their emotions.

Drama Club

Drama Club encourages creativity, self-expression and confidence in a fun and supportive environment.

Wild Souls Outdoor Learning

Wild Souls Outdoor Learning helps children connect with nature, build resilience and develop wellbeing through outdoor experiences.

The Learning Centre (TLC) – Inclusion Base

The Learning Centre is a nurturing space where children receive tailored support to help them succeed.

3

Therapy Dog – Freddie the Cockapoo

Freddie provides a calm, nurturing presence, helping children build confidence, regulate emotions and enjoy coming to school.

Wellbeing Support Worker & MHST Worker

Emotional wellbeing support, strategies for managing feelings and anxiety, and access to early mental health support when needed.

Classroom Adjustments

Simple adjustments can make a big difference, helping children to concentrate, process information and work independently.

Wobble cushions
Support focus and core strength.

Coloured overlay sheets
Reduce visual stress when reading and writing.

Pastel-coloured writing boards
Easier on the eyes and support visual processing.

Visual checklists
Help children stay organised and independent.

Every child is unique. Every step forward counts.
Love, Faith, Hope.
